Correction

In the article “Prevalence and management of symptom diagnoses in children in general practice”¹ that appeared in the April 2025 issue of *Canadian Family Physician*, the final name in the byline on page e68, and in the biography on page e74, should have read “Tim C. olde Hartman”.

The online version of this article has been corrected.

Correction

Dans le résumé « Prévalence et prise en charge des diagnostics des symptômes chez les enfants en pratique générale » publié dans le numéro d’avril 2025 du *Médecin*

de famille canadien, le nom final dans la signature à la page e69 aurait dû être « Tim C. olde Hartman ».

La version en ligne de cet résumé a été corrigée.

Correction

In the article “Update to acne vulgaris treatment for Canadian practice”¹ that appeared in the July/August 2025 issue of *Canadian Family Physician*, the treatment “Topical retinoids” in the box labelled “Topical treatments” in Figure 1 on page 458 should have appeared in green, denoting a strong recommendation in favour of the intervention.

The online version of this article has been corrected.
